Penalty warnings and qualification questions

If you get cash or SNAP benefits, you must follow the rules listed below.

- **Do not give false information** or hide information to get or continue to get benefits. If you get cash or SNAP benefits and give false information or hide information about your **identity** and **residency** to get multiple benefits for the same period of time, you may be barred for 10 years.
- **Do not trade or sell SNAP benefits** or Electronic Benefit Transfer (EBT) access cards. **The trade or sale of benefits valued at over \$500 may result in permanent ineligibility.**
- **Do not use cash or SNAP benefits to buy ineligible items**, such as alcohol and tobacco.
- **Do not use someone else's EBT access card(s)** to get cash or SNAP benefits for your household.

The state may bar household members who break any of these rules. The bar lasts one year for the first fraud, two years for the second fraud and is permanent for the third fraud. The months you are barred from MFIP for breaking the rules may count toward your 60-month lifetime limit.

You can also be prosecuted for fraud if you break the rules and additional fines and penalties may apply. The maximum penalty is a fine of \$250,000 or a jail term of 20 years, or both.

Special SNAP penalty warning: If a federal, state or local court finds you or any household member guilty of giving or receiving SNAP benefits in exchange for:

- **Controlled substances**, that household member will be barred from getting SNAP for 24 months for the first offense and permanently for the second offense.
- **Firearms, ammunition or explosives**, that household member will be barred from getting SNAP permanently.
