

Minnesota Child Care Assistance Program Application

Apply online at https://mnbenefits.mn.gov

You may be eligible to get help for your child care expenses so you can work, look for work, or attend school. Child care assistance can pay any legal child care provider who registers with the Department of Children, Youth, and Families. This includes licensed, certified, and unlicensed providers, 18 years of age or older. If you do not have a child care provider, you can apply for child care assistance and ask for help finding a child care provider.

To qualify, your family must:

- Be income eligible;
- Meet employment and training requirements:
 - Work at least an average of 20 hours per week (10 hours per week if a full-time student) at minimum wage, or
 - Participate in job search, attend school or training classes, or
 - Comply with the activities of an approved Minnesota Family Investment Program (MFIP)/Diversionary Work Program (DWP) employment plan.
- Cooperate with child support enforcement for all children in the family who have an absent parent.

Read these instructions before you fill out the application.

The Child Care Assistance Program booklet <u>Paying for child care (DHS-3551)</u> gives you information about the program and choosing a child care provider.
